why bikeshenandoah?

Flanked by the Appalachians and the Blue Ridge mountains, the Shenandoah Valley is ablaze with color during the height of fall.

Bike Shenandoah offers a relaxed ride atmosphere for cyclists of all ages and abilities to appreciate the area's natural beauty, while enjoying the company of other riders and supporting global and local mission and service.

This year's ride will practice physical distancing. Registration will be outside. There will be no indoor lunch rather, individually wrapped snacks and water will be available outside.

Steve Leaman was the former principal of both Broadway and Spotswood High Schools. He was on the board of Bike Shenandoah and, at his untimely death, he served as Director of Development for Virginia Mennonite Missions, one of the six agencies which Bike Shenandoah supports. VMMissions has established a Stephen Leaman endowment fund. This year VMM will receive a double portion of the proceeds from Bike Shenandoah. Honor Stephen's memory with a gift to Bike Shenandoah.
